## License Agreement:

I hereby declare and agree, on behalf of myself and my co-authors (if any), that:

[1] The article submitted is an original work and has neither been published in any other peer-reviewed journal nor is under consideration for publication by any other journal. In addition to it, the article does not contravene any existing copyright or any other third party rights.

[2] This transfer of copyright gives International Institute of Research and Journals the right to develop, promote, distribute, and archive a body of scientific works throughout the world.

[3] The Author hereby grants and assigns to International Institute of Research and Journals all rights in and contributions to Author's work. In connection with this assignment the author acknowledges that International Institute of Research and Journals will have the rights to print, publish and create derivative works throughout the world, all rights in and to all revisions or versions or subsequent editions of the work in all forms and media of expression now known or developed in the near future, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature throughout the world.

He/she may not use the publisher's PDF version, which is posted on [www.iiraj.com](http://www.iiraj.com), [www.icriet.com](http://www.icriet.com), for the purpose of self-archiving or deposit.

The Author reserves the following rights:

- ✓ All proprietary rights other than copyrights, such as patent rights.
- ✓ The rights to use all or part of this article, including tables and figures in future works of their own, provided that the proper acknowledgement is made to the publisher as copyright holder, and
- ✓ The right to make copies of this article for his/her own use, but not for sale.
- ✓ The author retains the right to use his/her article for his/her further scientific career by including the final published journal article in other publications such as dissertations and postdoctoral qualifications provided acknowledgement is given to the original source of publication.

## Copyright Claim:

Any claims of copyright infringement should be addressed to the Editor at [editor@iiraj.com](mailto:editor@iiraj.com) with the subject line "Copyright Infringement".

The claim must be sufficed by documented files supporting the same version as being published or copyrighted by the other party before the date of publication of the concerned IIRAJ article. On receipt of the claim, the IIRAJ Editorial Board, if found satisfactory, will inform the IIRAJ author to provide an explanation; the discussion of which will be transparent to both parties.

The IIRAJ reserves the rights to decide the validity of any such claims. After deliberation, if the claim is found justified, the concerned manuscript will be removed from all IIRAJ archives and servers. In case, the changes required are minimal such as inclusion of references, the authors will be intimated to do the required amendments.

## Author Responsibilities:

The IIRAJ distributes its technical publications throughout the world and wants to ensure that the material submitted to its publications is properly available to the readership of those publications. Authors must ensure that their work meets the requirements of IIRAJ standard including provisions covering originality, authorship, author responsibilities and author misconduct. The author of this article is sole responsible of any positive or negative effect of paper to the society.

## Copyright transfer statement:

The copyright to this article is transferred to IIRAJ, effective if and when the article is accepted for publication. IIRAJ reserves the rights to transfer the copyright to other publisher for publication in IIRAJ affiliated journals based on research area of paper. The author warrants that his/her contribution is original and that he/she has full power to make this grant. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors.
